

AukettFitzroyRobinson have an expanding portfolio of exciting new projects in the UK and across Europe. We are seeking experienced **senior architects** who wish to satisfy their career growth and develop their skills within an international practice committed to high quality design and creativity.

We are inviting candidates with good UK or west European experience in the hotel, office and retail sectors to join our expanding office in Moscow.

We are particularly keen to hear from experienced architects with a good knowledge of Russian language and previous experience in the Russian Federation and / or Russian background.

Current opportunities include:

- **Senior Project Architects for Moscow**
- **Senior Site Architect for St. Petersburg**

Please send your CV and images of your recent work by e-mail to:

Mikhail Mandrigin - General Director Moscow Office
