

Client: Daimler Chrysler
Project value: £20m
Area: 18,500m²

MERCEDES-BENZ WORLD, BROOKLANDS

An 18,500m² Heritage and Technology Centre for Mercedes Benz forming part of an overall masterplan for the 150 acre site next to Brooklands Museum and motor racing circuit. The centre contains display galleries, visitor education and hospitality facilities.

The masterplan also includes a business development and a hotel, as well as a 60 acre community park.
