## HOTEL DE ROME, BERLIN

The redevelopment of a 7,000m<sup>2</sup> city block, the OpernCarree project, in the historic centre of Berlin, by Berlin JV Aukett + Heese, which is part of the AukettFitzroyRobinson Group.

A Listed building, previously the headquarters of Dresdner Bank and later the Central Bank of the GDR, has been converted into the Rocco Forte Grand Hotel de Rome.

As well as 146 bedrooms and suites, including the presidential suite which overlooks Bebelplatz and Unter den Linden, the hotel has a restaurant, ballroom, bars and meeting rooms and a luxury spa with a 20m pool.

The hotel was shortlisted for a MIPIM Award in 2007.
