ISLE OF DOGS, LONDON

A major mixed use regeneration scheme to redevelop an existing district centre site which encompasses retail, residential, a new community Idea Store for the London Borough of Tower Hamlets, health club, cafe, health centre and food store.

The 41,000m² scheme has been developed entirely in 3D using AutoCAD and physical models to ensure a balanced and scaled development to fit the site context adjacent to Millwall Dock and Mudchute Park.
